Your Child Is Growing Up by The Minute..... Don't Let The Magic Of This Time Slip Away Forever

Your baby's first year is the most important. It's the fastest growth period in your baby's life. We will photograph your baby at age 3 months, 6 months, 9 months, and 12 months.

Then we will present you with a **24 inch by 7 – 1/2 inch panel composite** showing your baby's first year. (see sample on enclosed postcard) Of course you get to see the previews and you select each pose you want in the panel. The cost? Only \$99 – one time – paid when you make your first appointment. This covers the whole year.

Important – Your baby will grow so much during the first year. The look and smiles are so different at each of the 3,6,9, and 12 month sessions you won't want to miss this once in a lifetime chance to have these portraits. Call us today.

**Now is your only chance to do this. Once
your baby is older, it's too late.**

This is a special price to introduce you to Leasures Designer Portraits – the studio that provides the finest baby photography in the Phoenix area.
