Portrait Art Finishes

The Masters Finish

For that timeless look of a masterpiece artwork we recommend our “Masters Finish”. Your portrait will be finished with a leather texture lamination that will protect it for a lifetime. These are exquisitely retouched to our superior artistic standards to create a masterpiece that will be enjoyed for generations.

This finish starts at a 16x20 or larger.

The Imperial Finish

Our Imperial portraits are carefully retouched using standard techniques. Our artists enhance your portraits by removing blemishes, stray hairs, glass glare and softening any hard smile lines.

8x10's and smaller are not mounted.

11x14's and larger get mounted to art board.
